Shiv Brass Industries is a reliable manufacturer and supplier based in Jamnagar, Gujarat, India. We are a manufacturer and supplier of brass gas parts, brass meter parts, brass nipples and a lot more.

About Us

With our sheer drive, we have reached the paramount of success, and now we are known as the prestigious dealer in the international market. We have laid the foundation of our company in Jamnagar Gujarat, also a huge trade hub, which enables us to cater for our clients easily located in various countries.

INFRASTRUCTURE

We are backed by a robust infrastructure, which comprises state of art manufacturing units, offices and warehouses. Our manufacturing unit is integrated with sophisticated machines, which are capable of producing the bulk of products in a short span. Our well-established warehouses store the products safely. Moreover, our huge and secured warehouses facilitate us to fulfil the demand of the clients on short notice.

QUALITY CONTROL

We have sophisticated equipment to ensure the quality and durability of the component. From the beginning of the procurement till the production of the end product, we stringently vigil each procedure to ensure the finest quality is reaching the customers. Our highly professional quality-check team thoroughly checks the quality of the raw material and the finished product.

NETWORK

Our business network is huge and well-knitted. We are in coordination with a large number of agents and dealers, who are reliable and spread across the world. Our trust-worthy agents help us to reach our clients located in distinct places, and with their help, we can cater for the client in a stipulated time.

Adding to this, we have a very efficient marketing team, which remains in touch with clients even after the delivery of the consignment.
