We proudly wish to bring to your kind notice that we have established a **CALIBRATION LABORATORY** and obtained **NABL** Accreditation in accordance with **ISO/IEC 17025:2005**, in Pondicherry for the service of industries and to be a Valued Associate in Quality Measurements for better efficiency of your Industrial processes.

We extend our support for the **ELECTRO-TECHNICAL, THERMAL, PRESSURE & VACUUM, MASS, FORCE, LOAD, HARDNESS, IMPACT, TEST MACHINES, RPM, TORQUE WRENCHES, EXTENSOMETERS, & DIMENSION METROLOGY FIELDS.**

THERMAL CALIBRATION

Temperature Gauge, Temperature Sensor-RTD
 Temperature Sensor-Thermocouple,
 Thermister Temperature Controller with Sensor
 Digital Thermometer / with Sensor Data Logger
 Temperature Transmitter with sensor Multi Thermometer
 Temperature Calibrator / Bath
 Autoclave, Incubator,
 Deep Freezer & Oven

Digital Multimeter
 AC/DC Voltmeter/ Ammeter/ Ohm Meter
 Clamp Meter/ Frequency Meter/ Decade
 Resistance Box/ Capacitance Box/ Earth Tester
 Megger/ Insulation Tester/ Portable Calibrator
 Current Calibrator/ Loop/ Multifunctional/ Precision
 Calibrator/ Process Indicator/ Temperature Controller
 Indicator/ Scanner/ Data Logger/ Chart Recorder
 Transmitter/ AC/DC/ Power Supply

MECHANICAL CALIBRATION

Vernier Caliper, Micrometer,
Dial Gauges, Depth Gauges,
Feeler Gauges, Plunger Type
Dial Gauge, Snap Gauges,
Pressure/Vacuum Gauges,
Pressure Calibrator,
Transmitters,
RPM, Timer &
Torque Wrench.

MASS & VOLUME

- Weights F1, F2, M1, E1, E2
- Analytical Weighing Balance
- Precision Weighing Balance
- Volumetric Measures
- * Pipette
- * Burette
- * Measuring Cylinder
- * Volumetric Flask

FORCE, HARDNESS & IMPACT TESTING MACHINE

- Universal Testing Machine
- Hardness Testing Machine
- * Brinell
- * Vickers
- * Superficial Rockwell
- Load Cell
- Impact Testing Machines
- Extensometer
- Displacement

TECHNICAL SALES & SERVICE SUPPORT

**WE ALSO SUPPLY; UPGRADE; COMPUTERISE; SERVICE; REPAIR & TAKE
A.M.C FOR SERVICE AND REPAIR OF:**

**Universal Testing Machine, Environmental Test Chamber, Hardness,
Impact, Extensometer, Load Cell, Temperature Indicator, Pressure Indicator,
Vacuum Indicator, JIG's & Fixture, Dial Gauges, Angle, Displacement, Torque,
Humidity Recorder, Data Acquisition Software, Muffle Furnace, Oven,
Autoclave, Spring Testing Machine, Tensile Testing Machine, Load Cell,
Test Rigs, Computerisation of Existing Machines, Testing Machine for
Brakes, Foam, Seats, Cables & all Auto-industry Components &
POKEYOKE System & Traceability.**
