

LAKSHYA ENTERPRISES

Lakshya Enterprise is a name that is counted amongst the preeminent organizations that are offering the high quality pencils, pencil making machines and other such products. We are a renowned supplier of velvet pencils like colored velvet pencils and plain velvet pencils. Apart from this, we are also engaged in supplying velvet pencil making machines to different industries producing pencils. We procure the velvet pencils and velvet pencil making machines in bulk from our associated retailers and vendors in the industry. We visit their inventories and ensure that all the products are quality-checked thoroughly before procurement. We are selling these pencils and pencil making machines in different stationery markets and pencil making factories at the most reasonable prices.

Deeply rooted in Jaipur (Rajasthan, India), Lakshya Enterprise is one of the renowned fraternities that are engrossed in providing velvet pencils and velvet pencil making machines. The company is operational in the industry since the year 2019.

Our Vendor Base

Being a quality-focused fraternity, it is our main concern to choose the right vendors for the procurement of our pencils and machines. Thus, we select our vendors very carefully on the basis of the following parameters:

- Excellent quality velvet pencils
- Ability to complete consignments quickly
- Large inventory
- Exceptional machinery installed at inventory
- Customizing options available

Our Warehouse

We are backed by a well-structured and facilitated storage unit. It is handled by our warehouse keepers, who store the pencils in a suitable material at the warehouse.
