One of the celebrated names in the industry, Lisaan Traders is a company that is engaged in offering diverse range of used gunny bags. We are a recognized exporter and supplier of used gunny bags, second hand gunny bags and old gunny bags. These gunny bags are procured from some of our most trusted retailers and vendors. We visit the inventories of our vendors and ensure that only decent old gunny bags are procured from them. The gunny bags are further packaged into a high grade packaging material. Our logistics team ensures that each product is transported safely to our customers. We are selling these gunny bags in second hand and old form at the best market leading prices. Our distribution network is spread in several locations within India and other countries abroad.

Deeply rooted in Ernakulam (Kerala, India), Lisaan Traders is one of the well-known organizations that are involved in exporting and supplying the different types of used gunny bags. Mr. Yaseer (Owner) is the diligent personality behind the establishment of our company. He laid the foundation stone of the company in the year 2017.

OUR VENDOR BASE

We are a quality conscious organization that ensures that the vendors are chosen as per various parameters. Our vendors are selected on the basis of the following parameters:

Excellent reputation

High market value

Large assortment of products

Reasonable prices

OUR WAREHOUSING UNIT

We are supported by a capacious warehousing unit, which helps us stock the products in a suitable atmosphere. Our warehouse keepers keep the products in different sections.
