

BDSSV Technology And RC Group

BDSSV Technology & RC Group is a notable manufacturer and supplier of Flood Lights, LED TV, LED Bulbs, LED Bulb Body, LED Tube Lights, LED Panel Lights, LED Bulb Diffuser, LED Bulb Housing, Color Changing Bulbs, LED Bulb Raw Material, LED Wall Decorative Lights, etc. Apart from aforesaid, we are also dealing in the services like Hydro Jetting Services, Sandblasting Services, Chemical Cleaning Services and Heat Exchanger Retubing Service. We have been offering high-quality products of leading brands to provide the best to the clients. Our products are developed using modern technologies to ensure high-efficacy, performance and durability. We have gained expertise in offering third party manufacturing services to the clients. Our company has gained expertise in offering customized products to the patrons according to the demands.

Mr. Virendra Kurrey is the Manager of BDSSV Technology & RC Group offering efficient and energy-saving Flood Lights, LED TV, LED Bulbs, LED Bulb Body, LED Tube Lights, LED Panel Lights, LED Bulb Diffuser, etc. He laid the foundation stone in the year 2017. Based in Mumbai (Maharashtra, India), we have been serving to the exact demands of the clients with the best.

Manufacturing Unit

We have developed modern manufacturing unit having advanced machines and tools to design unmatched quality and power-saving products. The unit has every facility to conduct the production at a very brisk pace without any hassle and trouble.

Why Us?

With years of experience, we have gained a competitive edge over other organizations. The points due to which we stand ahead of other companies are as follow:

- Cost-effective products provided
- Customization facilities available
- Timely delivery of the products
- Maximum customer satisfaction
- State-of-the-art infrastructural base
- Team of skilled engineers and other professionals
- Swift logistics facilities

OUR PRODUCTS

COB LED Bulbs

Beam Angle	: 30-90 Degree
Holder Base	: GU 5.3 / 10
Lumens	: 540
Input Voltage	: 230V AC
Operating Temperature	: 20 deg to +60 deg centigrade
Wattage	: 5w, 10w

Bajaj LED Bulbs

Color Temperature	: 2700-3000 K
Voltage	: 220-240 V
Body Material	: Ceramic
Lighting Color	: Warm White
Base Type	: B22
Frequency	: 50 Hz

Orient LED Bulbs

Frequency	: 50 Hz
Luminous Flux	: 700 lm
IP Rating	: IP 20
Color Temperature	: 3500-4100 K
Body Material	: Ceramic
Wattage	: 7 W
Base Type	: B22
Input Voltage	: 220-240V AC

Syska LED Bulbs

Voltage	: AC 220-240 V
Base Type	: B22
Color Temperature	: 65000K
Body Material	: Ceramic
Power Consumption	: 9 W
Model Number	: SSK-SRL-9W
PF	: 0.9
Frequency	: 50 Hz
Lumen	: 810lm

OUR PRODUCTS

Surya LED Bulbs

Watt	: 220-240 W
Color Temperature	: 2700-3000 K
Body Material	: Ceramic
Lighting Color	: Warm White
Frequency	: 50 Hz
Base Type	: B22

Philips LED Bulbs

Lighting Color	: Warm White
Base Type	: B22
Voltage	: 220-240 V
Body Material	: Aluminum
Frequency	: 50-60 Hz
Color Temperature	: 2700-3000 K

Havells LED Bulbs

Rated Luminous Flux	: 1425 lm
Frequency	: 50-60 Hz
Voltage	: 220-240 V
Lighting Color	: Warm White
Color Temperature	: 2700-3000 K
Base Type	: B22

LED Plastic Bulbs

Color Temperature	: 2700-3000 K
Voltage	: 220-240 V
Shape	: Round
Base Type	: B22
Frequency	: 50-60 Hz
Lighting Type	: LED

OUR PRODUCTS

Eveready LED Bulbs

Brand	: Eveready
Luminous Flux	: 900
Voltage	: 220-240 V
Lighting Color	: Warm White
Color Temperature	: 2700-3000 K
Body Material	: Ceramic

Coloured LED Bulbs

Shape	: Round
Color	: Available In Different Colors
Body Material	: Aluminum
Wattage	: 1, 2, 5W
Warranty	: 1year
Brand	: Bajaj, Havells, Surya, etc

Decorative LED Bulbs

Wattage	: 12W, 20W, 5W, 9W, etc
Warranty	: 1year
Base Type	: E27
Voltage	: 220 V
Rated Frequency	: 50 Hz
Power Source	: Electric

LED Daylight Light Bulbs

Frequency	: 50 Hz
Packaging Type	: Box
Voltage	: 220 V
Color Temperature	: 5000-6500 K
Lighting Color	: Cool daylight
Base Type	: B22
Body Material	: Aluminum

OUR PRODUCTS

Rechargeable LED Bulbs

Warranty	: 1year
Frequency	: 50 Hz
Brand	: Philips
Lighting Color	: Cool White
IP Rating	: Ip65
Base Type	: B22

LED Bulb Body

Color	: White
Wattage	: 12W, 20W, 5W
Warranty	: 1year
. Features	: Durability, Easy To Use
Packaging Type	: Box
Base Type	: E27
Body Material	: Ceramic

LED Bulb Housing

Shape	: Round
Color	: Cool White
Body Material	: Ceramic
Material	: ABS PC
Available Sizes	: 57mm,65mm,75mm
Packaging Type	: Box
Base Type	: B22

Color Changing Bulbs

Material	: Plastic
Shape	: Round
Color	: Available In Different Colors
Packaging	: Paper Box
Power Source	: Electric
Features	: Stable Performance
Warranty	: 6Months

OUR PRODUCTS

LED Bulb Raw Material

Application	: Manufacturing Units
Layer	: Double Layer, Single Layer
Raw Material Type	: Bulb Housing, Heatsink, PCB, Bulb Casing
Lighting Type	: LED
Base Type	: B22
Body Material	: Aluminum
Shape	: Round

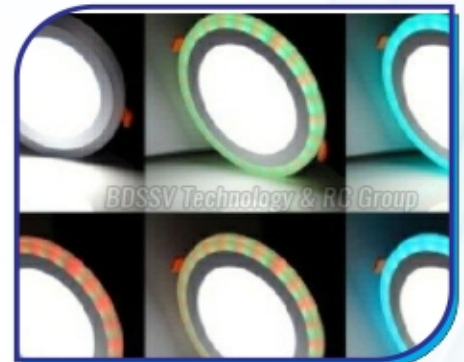

LED Wall Decorative Lights

Light Source	: LED
Frequency	: 50 Hz
Voltage	: 220 V
IP Rating	: Ip40
Body Material	: Ceramic
Warranty	: 1 Year

LED 2 In 1 panel Light

Shape	: Round
Wattage	: 10W, 20W
Light Source	: Led
Installation	: Roof Mounted
Lighting Color	: Cool White
Frequency Hz	: 50

LED Panel Light

Application	: Home, Hotel, Mall, Office, Restaurant
Color	: White
Voltage	: 12V
Features	: Durable, Low Consumption, Suitable For Indoor Or Outdoor
Warranty	: 1year, 2year
Light Source	: LED
