## ABOUT US

Located in Indore (Madhya Pradesh),CKP Enterprises is a well-known manufacturer and supplier of various food products. We cater to the demands of customers all over India. The company was established in the year 2019 and now become one of the best food product suppliers in India.

We aim to provide high-quality, cost-effective and safe food products to consumers across the country. In this regard, we are associated with many rural cultivators and trusted vendors in the market and source the best quality natural products from them. With our extensive expertise and excellent teamwork, we offer a quality product and ensure that customers are fully satisfied by meeting their needs and expectations.

We offer high-quality chakki fresh atta, organic broken wheat daliya, organic multigrain atta, gram flour, turmeric fingers, organic turmeric powder, etc. to customers across India. Our products are supplied to different food marts, grocery stores, and companies involved in the production of various packaged food items. We make sure that after being processed, our products are kept in a suitable & hygienic condition and the necessary temperature is maintained. Our products are supplied to the different parts of the country through multiple means of transportation. The assurance of on-time delivery has always been kept by us.

We work with an intention to become a trendsetter in the industry and are always excited to build long-term relationships by supplying the best - in terms of product and customer support. We put our efforts to run this business in a sustainable manner taking care of everybody-consumers, employees, society, and the environment.
