

Charvi Exim

Charvi Exim is a Surat (Gujarat) based business enterprise that excels in the foreign trade of premium grade agro-based products.

CHARVI EXIM is a Surat (Gujarat) based business enterprise that excels in the foreign trade of premium grade agro-based products. The company has been recognized as a pioneering importer, exporter, and supplier of premium quality fresh fruits, fresh vegetables, sella rice, shelled groundnuts, and shelled peanuts. Our range of fresh fruits and fresh vegetables is inclusive of coconut, mango, grapes, pomegranate, elephant foot yam, lemon, garlic, ginger, chili, onion, potato, and tomato. We are a young and dynamic organization striving to gain a strong foothold in the market by offering high-quality products at competitive prices, and with the commitment of on-time delivery. The products, we deal in, have been procured from leading manufacturers only after conducting stringent quality control tests. We cater to the bulk needs of buyers from all over the globe.

Established in the year 2019, **CHARVI EXIM** has started gaining acknowledgment among world consumers for its quality certified products and matchless customer services. The company was founded by Mr. Mayank Patel, who is the CEO of the organization.

WHY US?

The company serves as the foremost choice for a number of clients in the industry due to many factors. Some of them are:

- Vast range of agro products
- Trained and skilled team of professionals
- Sustainable environment
- Transparency in business practices
- Strategic business alliance
- Multiple modes of payment

OUR TEAM

We have a team of talented people that never hesitate to go extra miles just because they can ensure to contribute to the company's growth in a competitive environment. Our team has ensured that we have a strong presence across all major continents to provide importers, exporters, and the end buyers with consumer goods that comply with international quality standards.
