PRAKASH TR

Prakash Heeng

Prakash Traders is an eminent name in the spice industry. Our transparent operations as manufacturer and supplier have enabled us to mark our presence as one of the toughest competitors in this industry. We are dealing in a variety of spices like turmeric and hing (asafoetida). We are offering A grade and B grade turmeric spent at competitive market price. However, it is the hing or asafoetida that we are offering which has gained us more fame and recognition. Whether you are looking for compound hing, bandhani hing, hing powder, or pure crystal hing, Prakash hing is something that would never disappoint you in terms of aroma and flavour. You can always count on us to find nothing but the best quality turmeric spent and hing at market-leading prices.

Prakash Traders, an established firm owned and managed by Mr. Rakesh Kumar Gupta (Owner), is known in the spice market of Uttar Pradesh, Madhya Pradesh, Bihar, New Delhi and other parts of North India. Manufacturing and supplying turmeric and hing since 1991 from our company based in Kanpur (Uttar Pradesh, India), we have gained a long clientele.

Major Markets

While we are based in Kanpur, our network has expanded to different parts of North India like Uttar Pradesh, Madhya Pradesh, Bihar, Delhi etc. Our supply and logistics teams have been catering to the delivery processes while the manufacturing teams ensure top quality to maintain the trust of our clients.

Quality Guaranteed

When it comes to spices, especially turmeric and hing, we can be trusted to offer only 100% pure products. We add no adulterants and have even employed a team of quality analysts who stringently test each batch before dispatching.
