# About Us

Agrasen Ispat is the specialist supplier of Iron and Steel products, capable of distributing in excess of 100,000 tonnes per annum. With over 20 years experience of steel stock holding Agrasen Ispat process and distributes only the highest quality steel throughout the India, offering best services. Our success has been achieved through attention of quality, service and reliability of supply time after time. We are a distributor of steel products supplying to the fabrication, manufacturing, rural and the building & construction industries.

We stock a comprehensive range of steel products including Pipe, Flats, Angles, Channels, Universal Beams & Columns, Reinforcement steel & Bar, Wire Rod, Wire, Sheet, Plate and Galvanized steel products. We offer a prompt processing service with the ability to cut to length any of the steel sections you may require. Agrasen Ispat is proud to offer our services to meet the requirement of our customers for same day/ next day dispatch of material.

Agrasen Ispat Private Limited was established in the year 2007 in small warehouse in Raipur and Mumbai. The directors of Agrasen Ispat recognised the need for a steel company which focused on extraordinary customer service whilst still maintaining a competitive price in the market. This philosophy of providing "extraordinary service" at a "competitive price" is still the same today and remains the key to our success.

## Our Vision

Our vision for the group is we all put our heads and hearts together to ensure we overcome the challenges and post a robust growth performance.

## Our Mission

We are dedicated to accomplishing lasting relationships with our customers to build the strongest organization in the industry.

## Quality Assurance

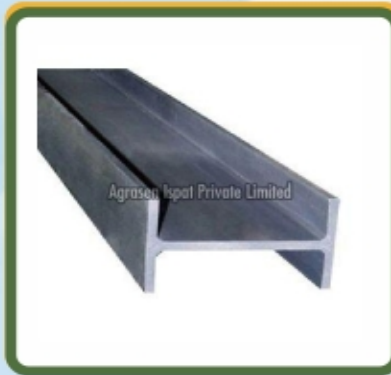

We procure high quality construction materials from reputed manufacturers who are the key players. We achieve this through continuous improvement and reviewing the effectiveness of quality management system, quality policy and quality objectives.
