

Bajrang Marble

One of the celebrated names, Bajrang Marble is an organization that is involved in offering the best quality granite slabs, marble blocks, and various other construction material. We are a noteworthy manufacturer and supplier of black granite slabs like galaxy black granite slabs, plain black granite slabs, premium black granite slabs, and river black granite slabs; and white marble blocks like brownish white marble blocks, greenish white marble blocks, greyish white marble blocks, makrana white marble blocks, and nirjharna white marble blocks. These marble blocks and granite slabs are manufactured by using the finest grade raw materials, which are procured directly from our most reliable vendors. Customers can buy these slabs and marbles from our company at the best market leading prices.

ABOUT Us

One of the celebrated names, Bajrang Marble is an organization that is involved in offering the best quality granite slabs, marble blocks, and various other construction material. We are a noteworthy manufacturer and supplier of black granite slabs like galaxy black granite slabs, plain black granite slabs, premium black granite slabs, and river black granite slabs; and white marble blocks like brownish white marble blocks, greenish white marble blocks, greyish white marble blocks, makrana white marble blocks, and nirjharna white marble blocks. These marble blocks and granite slabs are manufactured by using the finest grade raw materials, which are procured directly from our most reliable vendors. Customers can buy these slabs and marbles from our company at the best market leading prices. Our distribution network is spread across the major construction markets within India.

Bajrang Marble, headquartered in Rajsamand (Rajasthan, India), is a company that is engaged in manufacturing and supplying the high grade marble blocks, granite slabs, and much more. The brilliant mind behind the inception of our organization is Mr. Ganesh Das Vaishnav Vairagi (Owner). He laid the foundation stone of the company in the year 1994.

Our Manufacturing Unit

We have a large and widespread manufacturing unit, which is equipped with hi-tech machinery that is upgraded at regular intervals. Our unit is segregated in diverse sections like procurement, manufacturing, warehousing, quality testing, logistics and others. It helps us function systematically.

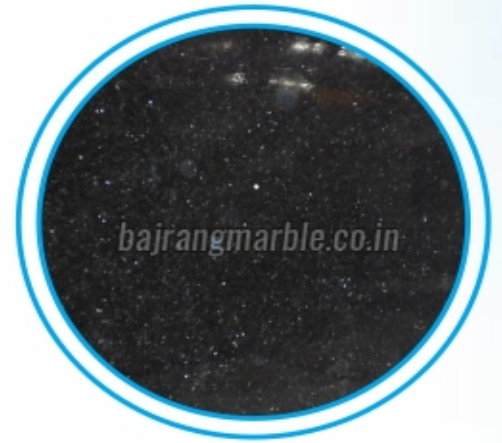

Our Warehouse

We have a capacious warehousing unit, which is handled by our meticulous warehouse keepers. They ensure that the slabs and blocks are kept in a well-suited atmosphere and condition until they are stored with us.
