Krushiraj Pre-Cooling And Cold Storage were set up in 2020 in Solapur, Maharashtra. With a short period, our company has gained customers all around the nation. We are the leading manufacturer and supplier of green grapes, banana, pomegranate, pear and much more. The products that we supply to our customers is good for their health and wellness. We have mouth-watering and highly nutritional products that are good for the human body. We also make sure that the products are 100% safe and secured for our customers and clients.

We have a huge infrastructure that is built with modern machines and equipment that are necessary for the process of production. We have divided our infrastructure into departments. All these departments work in close coordination so that the quality of the product remains consistent. We understand that for our customers quality is all that matters. This is why we test all our products from beginning till packaging and transit to ensure that our customers receive only the best always.

Our transparency in business has gained us a vast client base. We partner with wholesalers, retailers, restaurants, hotels and other such businesses.

### MISSION

We want to produce more products that are nutritious and also helps in building energy. The products we have is a healthy snack.

### VISION

We want to cater to every need of our customer and supply basic food and nutrition.
