ABOUT US

Veerkrupa Global Enterprise is delighted to present itself as a decades-old organization from Banaskantha (Gujarat) that has been making available superior quality agro-products. The company serves as an acknowledged exporter and supplier of different kinds of agro-based products like Fresh Potato and Red Chilli Powder. We make these products available in good quality packaging materials to add to their shelf life and protect them from alien contact. We source our agro products from trusted vendors only, and our experienced quality controllers keep an eye on an incoming lot of goods so that only the finest products can be served across the markets of India, Africa, China, Pakistan, Dubai, Australia, etc. The products, we deal in, conform to both domestic as well as international food quality standards.

Established in the year 2000, Veerkrupa Global Enterprise has come a long way by satisfying customers completely its high-quality products and matchless services. We have written our success saga over a period of two decades, which saw many ups and downs during the phase of development and growth. The company founder Mr. Prafull Patel always guided the organizational resources to achieve maximum customer satisfaction.

Why Us

We are a customer-oriented company, and we put efforts to exceed customer expectations and fulfill their requirements. The company was started with the 'customer-first' policy, which it has been religiously following to ensure the complete satisfaction of the customers. We are guided by the principles of honesty and dedication. The company endeavors to provide the best quality products at reasonable prices. Our strong business links with reliable sources help us in this mission.
