About Us

One of the celebrated names in the industry, Mahadev The Online Hub is an organization that instrumental in providing a comprehensive range of silk sarees, kurtis and various other kinds of garments. We are a noteworthy manufacturer and supplier of ladies' kurtis like designer cotton kurti, designer fancy kurti and cotton plain kurti, ladies' sarees like banarasi sarees, chanderi silk sarees, mysore silk sarees, and pure silk sarees; and designer anarkali suits. The aforementioned range of sarees and kurtis are manufactured by using the excellent quality fabrics and raw materials that are procured directly from our highly reliable retailers. We ensure that all our products are packed in the most suitable packaging material before they are stored at our warehouse or transported to our customers. We are selling these products to our customers at industry leading prices.

Headquartered in Surat (Gujarat, India), Mahadev The Online Hub is a firm that is engaged in the business of manufacturing and supplying the finest quality designer anarkali sarees, designer fancy kurti, and many other kinds of ladies' wear. The company has been operational in the industry since the year 2018.

Our Manufacturing Unit

We have a state-of-the-art manufacturing unit that allows us to finish our quantitative as well as qualitative range of products. Divided into various departments like procurement, manufacturing, warehousing, quality testing, and others, we are able to conduct our operations in a timely manner.

Warehousing Unit

We store the finished products at our capacious warehousing unit. They are stored in different departments for quick logistics.
