

**AGARSON**

**GARG GROUP INTERNATIONAL**

Khasra No. 26/2, Opp. MIE 764, Near Metro Pillar No. 768,  
Bahadurgarh Haryana - 124507

AN ISO 9001 : 2015 CERTIFIED COMPANY

## ABOUT THE COMPANY

Garg Group International is a multi- unit and multi- product conglomerate with brand leadership in the field of Safety-footwear manufacturing and exports. The Group is well equipped with the most modern machineries and a specialized workforce and produces all types of quality leather Safety shoes that are appreciated all over the world.

We believe Quality Is Our Hallmark. We make sure that all the manufacturing is done using state-of-the-art-technology.

A perfect blend of highly technical, skilled and semi-skilled workforce and competent managers has helped us in carving out an enviable position for ourselves in the global market namely "AGARSON"

Our existence in the trade for over Two decades has given us a wealth of knowledge, which allows us to offer our customers the maximum in choice, value and quality.

## VISION & MISSION

Garg Group International stands firm in its resolve to be a leader- a name to reckon with, in the international arena. We also stand committed to meet our customer's expectations in terms cost and quality. Again, this commitment continues to be our credo, but we still have a long way to go, true to the saying.

\*Garg Group International aims to constantly improve the quality of its products by fulfilling its Customer's Expectations.

\* To achieve our vision, the framework for quality inputs and, processes is in place, and is constantly monitored and upgraded.

## QUALITY ANALYSIS

Innovations and upgrading technologies are a regular feature of our R & D programme. This has played a key role in competing with major players in the Safety Shoe industry, both in Indian and overseas markets. The company has a world class testing Laboratory inside in each unit equipped with the best available testing equipments.

## GARG GROUP OPERATIONS

Over the years since its inception, Garg Group has steadily established its production facilities in Bahadurgarh, Haryana Region. Each State Of The Art unit is equipped with futuristic infrastructure powered by Indian and Imported machinery.

At present, there are 3 actively functioning facilities at the following locations:

1. Khasra no. 26/2, MIE, Part-A, Bahadurgarh, Haryana
2. Plot no-378, MIE, Part-A, Bahadurgarh, Haryana
3. Plot no-1103, MIE, Part-A, Bahadurgarh, Haryana

## OUR VALUES

- Constant innovation in design and product development
- Superior customer service
- Continually Strive To Enhance Customer Satisfaction
- Excellence in operational and commercial execution
- Entrepreneurial spirit and passion to win

The range of footwear offered by us includes Men's safety shoes, Officers safety shoes, Women safety shoes, Army boots, Gum boots etc. We follow a strict quality check in the production process.

HRO	Heal Resistance of outer sole		S3	A+ORO+E+WRU+P
			S4	A+ORO+E+Leakproofness
			S5	A+ORO+E+P+Leakproofness

### LABORATORY

This department is the backbone of the company. Our laboratory is equipped with the latest quality testing equipments like tensile tester, toe impact testing, compression, full shoe flex, cold ross flex, specific gravity balance etc. and many type of chemicals. These help us to dominate on our supplier for strict quality maintenance of the raw material and also serves a good policing of the finished goods.

The company is constantly investing time and money to develop a world class testing lab inside the factory equipped with the best available testing machines just to make sure that no stone is returned to achieve highest possible quality.
