

Our Products

- CFRP Fabric Products
- GFRP Fabric Products
- Carbon Fiber Rods
- Glass Fiber Rebar

**MANUFACTURER,
EXPORTER
WHOLESALE**

Iso 9001-2015 certified company

Parshawa Composites is an authentic and distinguished manufacturer, exporter and supplier of fiber rods. We are dealing in carbon fiber rods, glass fiber rebar, CFRP Fabric products, GFRP fabric products, etc. We are manufacturing different types of products using different materials. We are producing these products in various sizes and shapes. Our fiber rods are durable, strong, and corrosion-resistant.

We are one of the leading manufacturers and suppliers of fiber rods manufactured of different materials. We are offering different types of CFRP fabric products like 200 GSM carbon fiber bidirectional twill weave fabric. We have a skilled and diligent team that ensures damaged-free products at reasonable and market-friendly prices.

We are using the latest technology and offering outstanding products that are required for various industries. Our excellent products are manufactured under the supervision of experienced professionals. We are renowned as trustworthy manufacturers to provide products that comply with industry quality norms. Our outstanding products are tested on each parameter before delivering them to the customers.

Based in Karnataka, we are offering excellent products using quality raw materials from reliable vendors in the market. Due to the wide variety of products, we are offering products through our channel partners within the agreed time. We are offering robust products that are available in various shapes and strengths. We are offering excellent laminated strips that are fulfilling the needs of the customers at market-friendly rates.

Nature of Business	Manufacturers, Exporters, Wholesaler
Number of Employees	11 to 25 People
Year of Establishment	2019
Market Covered	Worldwide
Name of CEO	Mr. Vajra Abhinandan

VENDORS BASE

Based in Karnataka, we are offering excellent products using quality raw materials from reliable vendors in the market. Due to the wide variety of products, we are offering products through our channel partners within the agreed time.

PRODUCTS

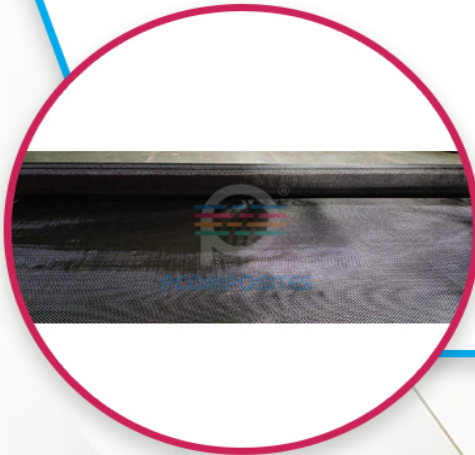

We are one of the leading manufacturers and suppliers of fiber rods manufactured of different materials. We are offering different types of CFRP fabric products like 200 GSM carbon fiber bidirectional twill weave fabric.

TECHNOLOGY

We are using the latest technology and offering outstanding products that are required for various industries. Our excellent products are manufactured under the supervision of experienced professionals.

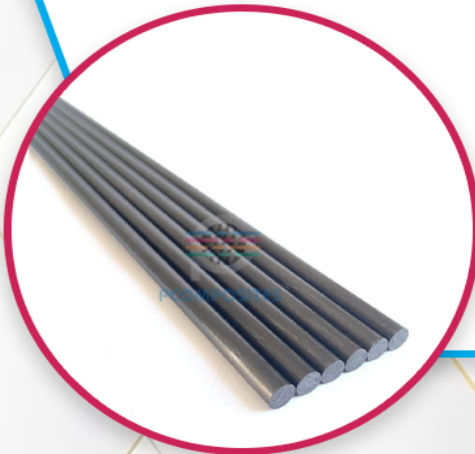

200 GSM Carbon Fiber Bidirectional Plain Weave Fabric

Business Type : Manufacturer, Exporter, Supplier
Brand Name : PCOMPOSITES
GSM : 200
Width : 1000mm
Location : Worldwide
Roll Length : 50 Meter
Thickness : 0.28mm

Carbon Fiber Rods

Business Type : Manufacturer, Exporter, Supplier
Brand Name : PCOMPOSITES
Name of Item : Pc Cf Rods
Width : 2mm/4mm/6mm/10mm/12mm
Location : Worldwide
Length : As per Customer Requirement
Resin : Epoxy, Vinyl, polyurethane.

300 GSM Carbon Fiber Unidirectional Fabric

Business Type : Manufacturer, Exporter, Supplier
Brand Name : PCOMPOSITES
GSM : 300
Width : 500mm
Location : Worldwide
Roll Length : 50 Meter
Thickness : 0.32mm

400 GSM Carbon Fiber Unidirectional Fabric

Business Type : Manufacturer, Exporter, Supplier

Brand Name : PCOMPOSITES

GSM : 400

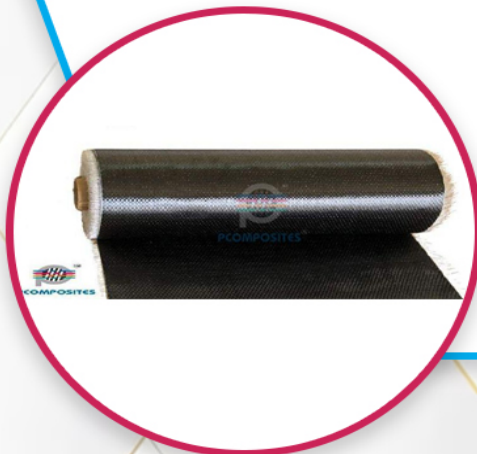

Width : 500mm

Location : Worldwide

Roll Length : 50 Meter

Thickness : 0.42mm

600 GSM Carbon Fiber Unidirectional Fabric

Business Type : Manufacturer, Exporter, Supplier

Brand Name : PCOMPOSITES

GSM : 600

Width : 500mm

Location : Worldwide

Roll Length : 50 Meter

Thickness : 0.63mm

900 GSM Carbon Fiber Unidirectional Fabric

Business Type : Manufacturer, Exporter, Supplier

Brand Name : PCOMPOSITES

GSM : 900

Width : 500mm

Location : Worldwide

Roll Length : 50 Meter

Thickness : 0.9mm

Glass Fiber Rebar

Business Type : Manufacturer, Exporter, Supplier
Brand Name : PCOMPOSITES
Material : Glass Fiber
Width : 6mm/8mm/10mm/12mm (custom size)
Location : Worldwide
Length : As per Customer Requirement
HSN CODE : 7019

900 GSM Glass Fiber Unidirectional Fabric

Business Type : Manufacturer, Exporter, Supplier
Brand Name : PCOMPOSITES
GSM : 900/S
Width : 500mm
Location : Worldwide
Roll Length : 50 Meter
Thickness : 0.92mm

100 mm Carbon Fibre Laminate Strip

Business Type : Manufacturer, Exporter, Supplier
Brand Name : PCOMPOSITES
Name of Item : Pc Cf Laminate-100
Width : 100mm
Location : Worldwide
Roll Length : 50 Meter/100Meter
Thickness : 1.4 /2.4 Mm

Advantages of PC CFRP Wrap Strengthening

- Easy installation
- Corrosion resistance
- No maintenance required
- Short construction period
- Light weight, no influence to original structure
- Low cost, cost effective compared with other methods

Structural Elements of Carbon Fiber Strengthening

- Columns strengthening
- Beams strengthening
- Slabs strengthening
- Pipes strengthening
- Walls strengthening
- Pier caps strengthening

BEFORE CFRP

AFTER CFRP

carbon fiber wrap for bridge Construction Field of Carbon Fiber Structural Strengthening

- Civil buildings
- Bridges
- Tunnels
- Piers/wharfs
- Airports
- Highways
- railways
