ABOUT Us

SHAKTI RUBBER INDUSTRIES, your trusted partner for premium rubber products and services. Founded in 1991 by Mr. Chandrakant Italia, we are a Surat, Gujarat based company specializing in the manufacturing, exporting, supplying, and servicing of a wide range of rubber components.

At Shakti Rubber Industries, we take pride in our comprehensive range of high-quality rubber products designed to meet the diverse needs of various industries. From rubber rollers and profiles to gaskets, seals, O-rings, and more, our products are engineered to deliver superior performance, durability, and reliability in a wide range of applications.

Our rubber rollers are crafted with precision and care to ensure smooth and efficient operation in industries such as printing, packaging, textile, and more. Whether you need standard rollers or customized solutions, we have the expertise and capabilities to meet your requirements.

In addition to our rollers, we offer a variety of rubber profiles, gaskets, seals, and other components designed to provide effective sealing and protection in various industrial settings. Our rubber-to-metal bonded parts offer enhanced durability and strength, making them ideal for demanding applications.

At Shakti Rubber Industries, we also specialize in anti-vibration rubber mounts, pads, and customized solutions designed to minimize noise, vibration, and shock in machinery and equipment. Our squeegee rubber blades are crafted for precision and efficiency, ensuring optimal performance in printing and cleaning applications.

With decades of experience and a commitment to excellence, Shakti Rubber Industries has established itself as a leader in the rubber industry. Whether you're looking for high-quality products or reliable services, you can trust Shakti Rubber Industries to meet your needs with professionalism and expertise.
