# About Us

M. S. Halder Enterprise is over a decade old manufacturing company from Kolkata (West Bengal) that has been fulfilling buyers' demands with premium quality cleaning and sanitation products. We are a successful manufacturer and supplier of products like toilet cleaner, floor cleaner, tile cleaner, multi purpose cleaner, white phenyl, Hindustan plus black phenyl, green neem phenyl, liquid hand soap, liquid hand wash, liquid blue neel, and bleaching powder. We have been catering to the demands of individuals as well as corporate clients with our matchless products and world-class services. We ship only quality tested products in bulk quantities across the destinations in India.

Established in the year 2006, M. S. Halder Enterprise has set new benchmarks in serving buyers with the finest products and world-class services. We are able to win the trust of the buyers worldwide due to the astute guidance of our Proprietor i.e. Mr. Mrityunjoy Halder. He constantly guided the company to come up with quality approved products.

## Team

Our manufacturing and other operations are managed by some of the most experienced and knowledgeable professionals of the industry. They strive for the company's growth as well as development. Our personnel stay updated with the latest technological advancements and market demands with which they meet and exceed the buyers' expectations every time.

## Why Us

We have attained a respected position for ourselves in the cut-throat competition by offering superior quality products as per the exact demands of our valued clients. The aspects which separate us from the others are:

- Competitive price
- Customization facility
- Client-centric approach
- Wide distribution network
- Quality tested products
