About Us

We gracefully present ourselves as a prominent manufacturer and supplier of a wide array of chicken products including whole pre-cut chicken, chicken party snacks, chicken lollipop, boneless chicken breast, chicken soup pieces and much more. The assortment offered by us is processed with the aid of best-in-class techniques under the utmost hygienic conditions to produce an exotic and authentic product. Each and every lot is double-checked to make sure that the offered chicken product is free from diseases and other issues.

What makes us stand tall in the market?

The advanced infrastructural facility of Baramati Agro Ltd. enables us to handle the urgent orders effortlessly. Baramati Agro Ltd. has gained a reputable position in the market of Pune, Maharashtra with its sincere efforts and adherence to industry norms. Guided by Mr. Debaraj Das, our company strives to provide top-notch chicken products at cost-effective prices.

We offer our delectable range to numerous high-end hotels, restaurants, grocery stores, fast food outlets, and others. The exotic taste of our products has made us earn a dominant market position and we focus on making improvements in our products to please our clients.

From the commencement of our operations in 1988, we have always put the best of our endeavors to optimize the level of client satisfaction by meeting their divergent tastes and preferences

Our strengths

- No compromises and taste and quality
- Timely deliveries of bulk orders
- Widespread distribution network
- Affable marketing team
- Updated machines
- Quality control
