Hi business owners, welcome to the New Pressure World! We are a vibrant organization located in Jamshedpur, Jharkhand India. We have stepped into the manufacturing and supply industry since the year 2017. High-technology dust control systems and various types of industrial supplies.

At New Pressure World, we're bold and accurate. Asgar Ali performs as a leader of our team and sets the priority for innovative solutions. Our key product areas include industrial pumps, car pressure washers and water management systems. We have a wide range of products, from high-pressure plunger pumps to mist generators.

Popular products are varied and passion-inspiring. Looking for a powerful car pressure washer? Or Searching for an effective and modern dust suppression system? We have it all. We also provide special products like automatic wheel washing systems and mobile tankers with truck-mounted facilities.

Therefore, we are not just manufacturers, but rather solutions providers. Our team produce commodities that can assist you in easing your daily life and enhancing your business operations. When you choose New Pressure World, you are not choosing a product; you are choosing a team for success. Come and be a part of this journey of providing high-pressure solutions throughout India and to the world!
