Shreem Biotech PVT LTD, established in 2012 by Mr. Gajanand Chouriya, is a leading manufacturer, exporter, and supplier of a diverse range of horticultural products in Chhindwara, Madhya Pradesh. We are driven by a passion for nurturing a greener tomorrow and empowering individuals to cultivate their own piece of paradise.

Under Mr. Chouriya's visionary guidance, Shreem Biotech PVT LTD has flourished into a trusted name in the horticulture industry. His dedication to sustainable practices and unwavering commitment to quality are the cornerstones of our success.

We offer a comprehensive selection of high-quality plant varieties, including fruit plants, bamboo, flowers, vegetables, medicinal plants like neem, and even prestigious timber trees like sandalwood and teak. We also provide Vermicompost Khad, a natural fertilizer teeming with beneficial microbes to nourish your plants.

At **Shreem Biotech PVT LTD**, we go beyond simply supplying plants. We are committed to providing exceptional customer service. Our team of experts is here to guide you in selecting the perfect plants for your needs, offer expert advice on cultivation, and ensure your gardening journey is a success.

We believe that everyone deserves access to the joys and benefits of gardening. Our goal is to empower individuals to cultivate beautiful and sustainable gardens, fostering a connection with nature and promoting environmental well-being.
