## About Us

**ROOP KALA PRODUCTS** is a name that is synonymous with transparency, customer-centric approach, and honesty. We are a remarkable manufacturer and supplier of grounded spices such as coriander powder, red chilli powder, turmeric powder, amchur powder, cumin powder, and Ginger powder. The aforementioned range of grounded spices are manufactured by using the finest quality raw spices that are procured directly from our highly reliable vendors. We make sure that our professionals stringently comply with the industrial norms and standards while manufacturing these grounded spices. Customers can purchase these grounded spices from us in bulk quantities at the most competitive prices. Our distribution network is spread in various regions within India at the best market leading prices.

Headquartered in Balotra (Rajasthan, India), Roop Kala Products is one of the distinguished fraternities that are engaged in manufacturing and supplying the best quality grounded spices such as cumin powder, amchur powder, and much more. The company has been operational in the industry since the year 2012.

### OUR MANUFACTURING UNIT

We have a well-furnished manufacturing unit, which enables us to finish the production of our product range in a timely and safe manner. Besides this, our unit is equipped with hi-tech tools, machinery, and equipment. These machines are upgraded at regular intervals.

### WAREHOUSING STRUCTURE

We have a spacious warehousing structure, which allows us to store our grounded spices in a highly controlled environment.

### WHY US?

Customers choose us over our competitors to buy the best quality grounded spices. Some major reasons behind this are:

- Wide distribution network
- Well-furnished inventory
- Spacious warehouse
- Reasonable prices
