Founded in the year 2015, Bharti Agro and Food Engineers, is well known as one of the leading Manufacturers & Suppliers of high-tech machines for agriculture, food processing and many other industries. Our range of products can be categorized under the names, like Grading Sorting Machine, Stainless Steel Screws, Stainless Steel Trolley and Stainless Steel Water Tank. These are manufactured by using 'A' grade materials with the help of cutting-edge technology machines, equipment's and tools. We offer these machines in different sizes, designs, grades, and configuration to suit all customers requirements. The entire range is highly demanded in the market for its impressive features like innovative designs, strong construction, tear-wear resistance, corrosion proof nature, high functionality, zero noise, high performance, etc.

We are employed highly skilled and experienced employees, who work with dedication and determination for the growth of the company. The R&D team explores thoroughly all the latest technologies available to improve the manufacturing machines in all aspects. The amalgamation of technical knowledge and the team's innovative ideas helped us in becoming the leader of the competitive market.

Under to effective leadership of Mr. Rishi, proprietor, our company has attained a reputed name in the national and international markets. He motivates the manpower to work efficiently in their respective areas. With the knowledge of the industry, we are indulging ourselves with foreign clients. We export 25% of our manufactured products in the global market.

Apple Sorting Grading Machine

- › Business Type : Manufacturer, Supplier
- › Weight : 3-10MT
- › Voltage : 50HZ
- › Capacity : 4000p-15000pcs/hour
- › Power Consumption : 5 HP
- › Application : Food, Agricultural Industry

Mango Sorting Grading Machine

- › Business Type : Manufacturer, Supplier
- › Type : Sorting Machines
- › Use : Separate Dissimilar Items
- › Color : Grey
- › Condition : New
- › Automatic Grade : Automatic

Orange Sorting Grading Machine

- › Business Type : Manufacturer, Supplier
- › Voltage : 380V
- › Driven Type : Electric
- › Power(W): 5-10kw
- › Capacity : 3-5t/h and 8t/h
- › Application : Food Industry

Pomengrate Sorting Grading Machine

- › Business Type : Manufacturer, Supplier
- › Type : Sorting Machines
- › Use : Separate Dissimilar Items
- › Color : Grey
- › Condition : New
- › Automatic Grade : Automatic

Mausami Sorting Grading Machine

- › Business Type : Manufacturer, Supplier
- › Certification : CE And ISO 9001:2008
- › Automatic Grade : Fully Automatic
- › Power : 9-12kw
- › Driven Type : Electric
- › Production Capacity : 1-10ton/hr

Kinnow Sorting Grading Machine

- › Business Type : Manufacturer, Supplier
- › Driven Type : Electric
- › Production Capacity : 1-10ton/hr
- › Power Consumption : 5 HP
- › Application : Food, Agricultural Industry
- › Power Supply : AC380V, 50HZ

Guava Sorting Grading Machine

- › Business Type : Manufacturer, Supplier
- › Automatic Grade : Fully Automatic
- › Capacity : 3-5t/h and 8t/h
- › Dimension : 20X7X2m
- › Power(W): 10KW
- › Electronic Controlling System : Siemens Color Touch Screen, Plc, Weighing Module, Weighing Sensor

Garlic Sorting Grading Machine

- › Business Type : Manufacturer, Supplier
- › Weight : 500-600kg
- › Voltage : 380V
- › Automatic Grade : Fully Automatic
- › Power : 3-6kw
- › Driven Type : Electric

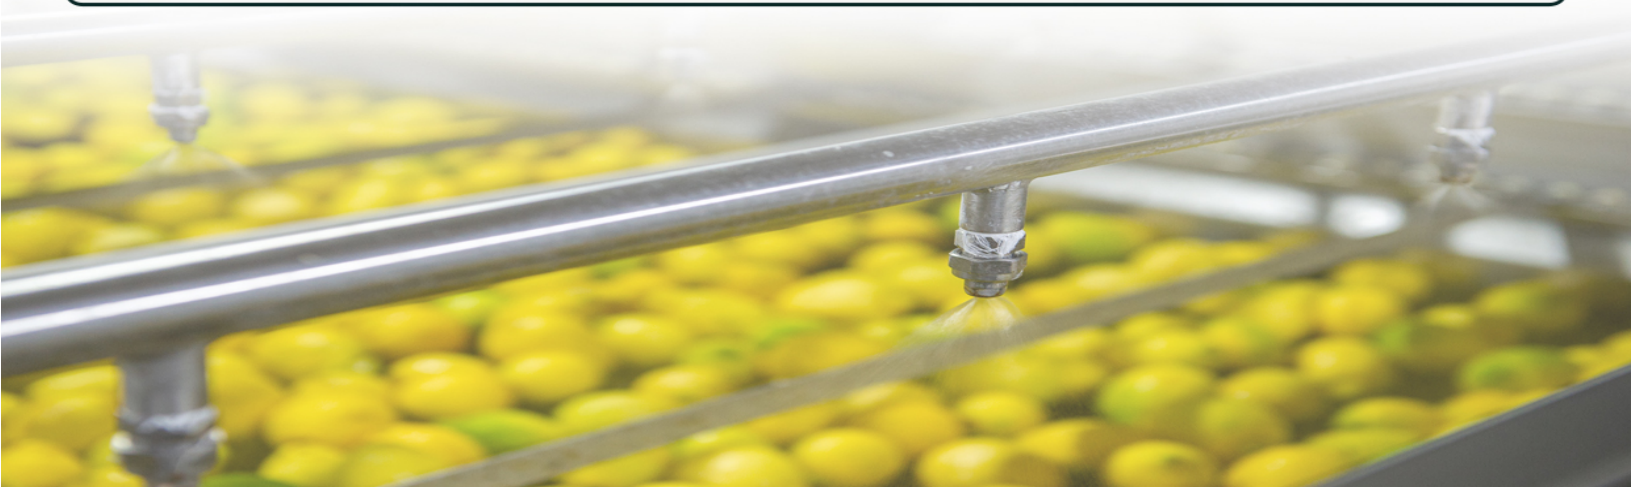

Lemon Sorting Grading Machine

- › Business Type : Manufacturer, Supplier
- › Certification : CE Certified
- › Weight : 500-1000kg
- › Voltage : 380V
- › Automatic Grade : Automatic
- › Power : 3-6kw

Onion Sorting Grading Machine

- › Business Type : Manufacturer, Supplier
- › Certification : CE Certified, ISO 9001:2008
- › Weight : 100-1000kg
- › Voltage : 220V, 380V
- › Driven Type : Electric
- › Production Capacity : 2000-3000kg/hr

Potato Sorting Grading Machine

- › Business Type : Manufacturer, Supplier
- › Weight : 100-1000kg
- › Voltage : 220V, 380V
- › Automatic Grade : Fully Automatic
- › Driven Type : Electric
- › Material : Stainless Steel 304

Stainless Steel Trolley

- › Business Type : Manufacturer, Supplier
- › Use : Commercial
- › Finishing : Polished
- › Features : Anti Corrosive, Durable, High Quality, Shiny Look
- › Number of Rack : 1
- › Wheel Structure : Four Wheel

Stainless Steel Water Tank

- › Business Type : Manufacturer, Supplier
- › Material : Stainless Steel
- › Shape : Round
- › Certification : CE Certified
- › Capacity : 100-1000ltr
- › Finishing : Polished

Stainless Steel Trays

- › Business Type : Manufacturer, Supplier
- › Type : Stainless Steel Tray
- › Material : Stainless Steel
- › Shape : Flat
- › Pattern : Plain
- › Usage : Food Serving

Vegetable Graders

- › Business Type : Manufacturer, Supplier
- › Type : Motor Grader
- › Automatic Grade : Manual

Stainless Steel Conveyor

- › Business Type : Manufacturer, Supplier
- › Type : Stainless Steel Conveyor
- › Style : Roll
- › Color : Silver
- › Condition : New
- › Usage : Moving Goods
