

RATNAGANGA AGRO

Ratnaganga Agro is a name that is synonymous with honesty, diligence, and sheer professionalism. We are a noteworthy supplier of live chicken such as live kadaknath chicken, live desi chicken, etc., and chicken eggs such as desi chicken eggs and kadaknath chicken eggs.

Ratnaganga Agro is a name that is synonymous with honesty, diligence, and sheer professionalism. We are a noteworthy supplier of live chicken such as live kadaknath chicken, live desi chicken, etc., and chicken eggs such as desi chicken eggs and kadaknath chicken eggs. The aforementioned range of chicken eggs and live chickens are procured from different poultry that are reputed in the industry. We visit the poultry personally and then ensure that each chicken is well-bred and the eggs are kept in a suitable condition before procuring them for further supply. We make sure that the transportation of the live chickens and chicken eggs is done under the supervision of a meticulous logistics personnel. Customers can purchase the chicken eggs and live chickens from us at the most reasonable prices. Our distribution network has been expanded to various regions within India.

Headquartered in Patan (Maharashtra, India), Ratnaganga Agro is one of the distinguished fraternities that are involved in the business of supplying the premium range of live chicken and chicken eggs. Mr. Mayur Gangaram Bhulugade (Founder) is the respected personality behind the establishment of our organization. He laid the foundation stone in the year 2016.

Our Warehousing Our Warehousing Unit

We are backed by a well-established and spacious warehousing unit, which enables us to store our product range in a highly suitable environment. We have installed a temperature controlling system at our warehousing unit, which enables us to keep the chicken eggs and the live chicken in a safe condition.

Why Choose Us?

Customers always choose us over our competitors owing to the following major factors:

- Huge distribution network
- Ability to finish consignments timely
- Quick and safe transportation of products
- Reasonable pricing
- Ethical business policies
