## About Us

Celebrated amongst reliable names in the industry, **SECURE TRADE PVT. LTD.** is a company that is offering a comprehensive range of high quality industrial equipment, testing machines and apparels. We are a remarkable manufacturer, supplier, wholesaler, distributor, and retailer of wire gauge, landform relief maps, stereo inspection scope, junior medical microscope, DC power supply, digital multimeter, hydraulic brake, wooden spatula, blow pipe burner, ladies wear, cotton shirts, cotton t shirts, cotton trousers, casual blazers and many other products. These machines, industrial equipment and apparels are manufactured at our advanced infrastructural facility, which is spread in a large acre of land. We have employed the most talented teams to conduct the production process of these products by complying with the prevailing market standards. We sell them at a reasonable price range.

Based in Kaithal (Haryana, India), **SECURE TRADE PVT. LTD.** is a preeminent name in the industry, engrossed in the business of manufacturing, wholesaling, distributing, supplying, and retailing a premium range of industrial equipment, testing machines and apparels. The firm came into operation in the year 2018.

### OUR MANUFACTURING UNIT

Backed by a state-of-the-art infrastructure and spacious warehousing unit, we are capable of not just producing the finest range of products but also storing them safely until dispatch. The manufacturing unit is equipped with advanced machinery and tools that are maintained by our professionals on a regular basis.

### WHY CHOOSE US?

Some major reasons why we are chosen by our clients are:

- ★ Wide network of distribution
- ★ Spacious warehousing
- ★ Moral policies
- ★ Competitive pricing
- ★ Ability to finish consignments timely
