About Us

Shivansh Enterprises is a prestigious manufacturing company from Agra (Uttar Pradesh) that specializes in producing the finest silver jewelry items. The company is recognized as an established manufacturer, exporter and supplier of the premium quality silver chain, silver bracelet, and silver anklets. We are specialized in making highly sophisticated designs available in the range of silver chains. We have a skilled team of jewelry designers, who possess years of experience in jewelry making and carving. All our silver pieces of jewelry are obtainable at reasonable price ranges.

Shivansh Enterprises came into being in the year 2018, when the industry veteran i.e. Mr. Ankit Verma, Anurag Verma who is the CEO of the company, decided to make a strong foray in the gems and jewelry industry of India. Since then, the company has been progressing tremendously by fulfilling customer demands with high-quality and striking silver jewelry chains, anklets, bracelets, etc.

Quality

We operate with an aim to provide the best quality silver jewelry to the customers. We procure the materials and embellishments from the trusted sources only. We follow strict control policies to make sure that the product quality is never compromised. With a quality centric approach, we aim to provide buyers with the best quality jewelry items.

Why Us

We are an established company in the industry, having years of experience and domain knowledge to serve buyers in the best manner possible. There are certain factors, as mentioned below, which are responsible for our enormous success:

- »» Quality product
- »» Competitiveness of prices
