Coconut Oil

# Ohm Murugha Exports

Incorporated in 2023, we at Ohm Murugha Exports are Exporter, Supplier & Trader of the best quality of the products. We specialise in Coconut, Fresh Vegetables, Whole Spices, ground spices, Indian Pulses, Readymade Garments, Textile Yarns, Groundnut Seeds and Groundnut Oil. All the product's quality is highly appreciated by the customers.

During the packaging process, every product will undergo different quality checks to make sure that the standard quality of the offered herbal products is never compromised. To carry out things in a perfect way, we have a team of skilled quality controllers. By giving top-quality products constantly, we have been able to cater for a huge number of clients.

## Our Team

It is with the assistance of our hardworking and devoted team that we are a renowned name for quality in the industry. Our team holds complete operations in collaboration and makes sure to meet the set targets of the company within the assured period.

Our logistics team gives surety for the on-time delivery of all the products to the desired destinations. Moreover, the whole range of the products is available at affordable rates. Our foremost aim is to ensure maximum customer satisfaction every time we serve them.

Ohm Murugha Exports is professionally owned by Mr S. Velliyampathi who is the company founder. His years of experience have helped us to achieve quick success.
