# ABOUT Us

Sangeetha Go Green Bag Manufacturers is a name that is counted amongst the preeminent fraternities that are offering diverse types of jute and paper bags. We are a remarkable manufacturer and supplier of jute bags like biodegradable jute bags, designer jute bags, eco friendly jute bags, fancy jute bags, etc., and paper bags like designer paper bags, multicolor paper bags, disposable paper bags, printed paper bags, etc. We procure the best jute and paper material for the production of our bags. The bags are fabricated at our clean and well-maintained infrastructural unit. Customers can buy these products from us at reasonable prices. We have expanded our distribution network to various states across India in the past few years.

Incorporated in the year 2019, Sangeetha Go Green Bag Manufacturers is one of the well-known firms that are engaged in manufacturing and supplying the optimum quality jute bags and paper bags. The company is operating from its head office located in Hyderabad (Telangana, India).

## Our Warehousing Unit

We have a spacious warehousing unit, which enables us to keep a large stock of the jute and paper bags in a suitable atmosphere. With the help of our temperature controlling system, we are able to keep the environment perfect for the storage of these products.

## Why Us?

We are a one-stop destination for the buyers of jute and paper bags. Some major factors that attract our consumers are:

- Large distribution network
- Ethical business policies
- Ability to deliver products timely
- Competitive prices
- Transparency and sheer professionalism
- Convenient modes of payment
