ABOUT US

Prabhat Enterprises is a Rajkot (Gujarat, India) based organization that is successfully catering the industry with a premium range of handles since its inception in the year 2012. At Prabhat Enterprises, we have gained our position by manufacturing and supplying a large variety of Fancy Drawer Handle, Drawer Pull Handle, Half Moon Pull Handle, Door Handle, Cabinet Handle, Wall Hooks and much more. We have a reliable supply chain, well furnished with all the transportation and other facilities to provide prompt delivery across the nation.

Over the years we have become acquainted with the most sophisticated technology and equipment to manufacture products that are at par with the quality and safety standards of this industry. Further we use a combination of suitable raw material to configure a range of perfectly engineered, durable, rust proof, sturdy, convenient, easy to install and accurately proportioned products.

We have a dedicated team of product designers, engineers and researchers who have years of experience in not only curating extremely functional and aesthetically pleasing products but also are also versed to bring contemporary and latest designs that can satisfy the specific requirements of our customers. It has enabled us to extend our target market with more successful partnerships.

Our huge cutting edge infrastructure facility has many specialised segments related to product management, marketing, logistics, client services etc. with special emphasis to fully utilize the resources and expertise of our team members so that we can provide nothing short than best to our clients.

Why Us?

- ◆ Versatile Product Line
- ◆ Customizable Orders
- ◆ Timely and Safe Delivery
