ABOUT US

Unitech International is a renowned Manufacturer and Supplier of Channel Nuts, Stud Bolt etc. We have ensured phenomenal growth for our company since the company's formation. We have developed our core competence in the field of industrial tools. We also focus on the delivery of high-quality products. Our products are in huge demand across markets, owing to various factors. Since our formation, we have been supplying products to various industries throughout the country. Our clients include the most reputed industry names. We have emerged as a preferred name for them in a short time.

Established in 2017, Unitech International is counted as a promising name throughout the sector. Our enterprise is synonymous to excellence. We are based in Ludhiana, Punjab (India) and we are operational throughout the country.

INFRASTRUCTURE

We have a remarkable infrastructure in our firm and we have installed the best of equipment. We use superior quality materials and upgraded technology for phenomenal outcomes. As an authorized firm, we only offer quality approved products to all.

STORAGE AND DELIVERY

We have created a substantial storage facility in the company to sustain a well-maintained stock of products that helps us to successfully meet the bulk requirements of clients. The highly efficient professionals, who we have with us, take care of the warehouse, efficiently. Moreover, we ensure secure packaging of products and deliver all orders to clients without any delay.
