Aquatech Plus Pvt. Ltd. began its journey in 2009 under the name Sonam Sales, focusing on water treatment and cooling solutions in India. In 2014, the company was restructured and officially registered as Aquatech Plus Private Limited. Over the years, we have expanded our product range, adopted advanced technology, and ventured into global markets.

We proudly design and manufacture a wide range of advanced systems, including:

Industrial Chillers— Scroll Chiller, Screw Chiller, Semi-Hermetic & Semi-Seal Chiller, Air-Cooled & Water-Cooled Systems

Water Treatment Systems— RO Systems, EDI Systems, Ultra-filtration, Nano Filtration, DM Systems (Capacity: 250 LPH to 100,000 LPH)

Beverage & Water Filling Lines— Complete lines for water, juice, carbonated drinks, and customized packaging solutions

Blow Molding Machines – Fully Automatic & Semi-Automatic

At Aquatech Plus, we combine engineering excellence with world-class manufacturing practices to deliver products that meet stringent international quality standards. Our ISO-certified facilities are equipped with state-of-the-art technology and managed by a team of highly skilled professionals committed to precision, reliability, and performance.

we have built strong partnerships across India, Africa, Oman and UAE (Dubai), becoming a trusted name for industries seeking reliable, long-lasting solutions

What truly sets us apart is our focus on customized industrial solutions. We don't just sell machines—we partner with our clients to understand their exact requirements, design solutions that fit seamlessly into their processes, and provide dedicated after-sales support to ensure consistent performance year after year.
