Quality

SADGURU ENTERPRISE

Sadguru Enterprise is a name that is synonymous with integrity, transparency, honest approach, and client-centric approach. We are a well-noted supplier of velvet polymer pencil and velvet pencil making machine. We ensure that the pencils and pencil making machines are procured from a reliable source. Thus, we give utmost importance to selecting the right vendors for procurement. Besides this, our prime concern is to check each product on a variety of quality tests and ensure that each product is manufactured in abundance with the set industrial standards. Customers can buy these velvet pencils and machines from us at the most reasonable prices. We operate across the major pencil selling markets in India. Deeply rooted in Morbi (Gujarat, India), Sadguru Enterprise is one of the

About Us

Sadguru Enterprise is a name that is synonymous with integrity, transparency, honest approach, and client-centric approach. We are a well-noted supplier of velvet polymer pencil and velvet pencil making machine. We ensure that the pencils and pencil making machines are procured from a reliable source. Thus, we give utmost importance to selecting the right vendors for procurement. Besides this, our prime concern is to check each product on a variety of quality tests and ensure that each product is manufactured in abidance with the set industrial standards. Customers can buy these velvet pencils and machines from us at the most reasonable prices. We operate across the major pencil selling markets in India.

Deeply rooted in Morbi (Gujarat, India), Sadguru Enterprise is one of the distinguished fraternities that are engrossed in the business of supplying the premium quality velvet polymer pencil and velvet pencil making machine. The company has been operational in the industry since the year 2019 under the proprietorship of Mr. Amit Kumar (CEO).

Our Warehousing Unit

Backed by a spacious and widespread warehousing unit, we are able to store the products in a preserved manner for a long time span. Our warehouse keepers keep a track of all the products that are stored with us and those products that are dispatched to the customers.

Why Choose Us?

We have become the first choice of our customers within a few months of our inception owing to the following main reasons:

- High quality products
- Well-equipped storage house
- Customer centric approach
- Ethical practices
- Competitive prices
