

**The Best
Quality**

Jiya Enterprises

Jiya Enterprises is counted amongst the leading names in the market of Delhi. We are serving as a prime manufacturer and supplier of superior quality glass cleaner, toilet cleaner, floor cleaner, hand wash, dish wash, naphthalene balls, etc. The glass cleaners that we make available are formulated using high-performance ingredients. These glass cleaners are widely used for cleaning all types of glass, mirrors, laminated surfaces etc. Our glass cleaner is widely known for cleaning the glass surfaces and leaving behind sparkling & spot-free shine. We offer white house toilet cleaner that is made with advanced shine booster technology which makes the thick liquid to coat evenly on the surface of the commode so that the advanced ingredients work harder to make your toilet extraordinary clean and sparkling. The floor cleaner, offered by us, is a highly concentrated cleaning liquid ideal for heavy-duty and hard to clean surfaces. Moreover, our expertise in offering hand wash, dish wash, naphthalene balls and others have allowed us to gain a huge clientele in the city. Customers can purchase our products in various packaging sizes as per their requirements. Place your orders now and rest assured for timely delivery and reasonable prices.

Jiya Enterprises is a Delhi (India) based company, which is operating in the industry since 2007. The company has achieved so many heights of success under the expert guidance of experienced mentors in a short time.

Our Infrastructure

Situated in Delhi, we own an advanced infrastructure that is spread in a large area of land in the city. Our facility is equipped with the most advanced and hi-tech machines that help us in manufacturing our products precisely and quickly.

Logistics

Since incepted in 2007, we have laid special emphasis on delivery of our products to the clients on time. To achieve this feat, we have appointed a special team of logistics experts, who are highly experienced and help us in delivering our products to the clients at different locations timely and efficiently.
