State-of-the art technology, environment friendly, pollution free Gen X entrepreneurship shows a big step towards the moral of keep the globe clean for the coming generation.

Every day, earth becomes more and more polluted. Air pollution fills our lungs with deadly substance. Water pollution is rapidly eradicating what little fresh-water we have left. Land pollution is causing once-fertile lands to become little more than desert. While many solutions have been offered, none are successful. But there is hope! A real solution exists – GREENWARE REVOLUTION.

One of the leading Manufacturers & Supplier of Eco Friendly Paper Cups from India. Ever since our inception, our area of focus has been quality & customer satisfaction. We believe in catering our customers with good quality products at very competitive prices. We manufacture quality Paper Cups of various sizes and as per customer requirements also. We have acquired a reputation in the market with our high quality products, ability to understand the needs of our customers and timely delivery of the ordered products. Our clients have admired our personalized approach to the business, which has helped us in developing long lasting relationships with them. Standard set of rules and procedures are followed by the company's manufacturing unit to keep-up with highest standards of quality and hygiene. Equipped with automatic machinery, the plant is highly fitted to maintain temperature levels to bring desired quality to every single product we manufacture and supply. For all the paper products manufactured, we use Elemental Chlorine Free (ECF) paper which is certified by ITC Paper Division. With utmost quality we are sure to delight the customers with our impressive range of products. With diligent efforts, we have mastered the technologies and trends that are used in this industry worldwide. We believe to hold aloft highest standards of business ethics with complete commitment to quality.

DISPOSABLE CARRY BAGS

The graphic features the Greenware Revolution logo at the top left. Below it, several white BioBags are shown, some with the 'BioBag' and 'TM' logos. To the right, a circular inset shows a person's hands holding a BioBag filled with fresh vegetables like carrots and leafy greens. Below the bags, the text 'USE ONLY BioBag' is displayed with a leaf icon. Further down, it says '100% Biodegradable | Bio Bags'. At the bottom, contact information is provided: a phone number '+91 6290515957 / 6289966597' and an email 'info@greenware.co.in' with the website 'www.greenware.co.in'.
