ABOUT US

Rex Polyfab, a group of ROBOGOLD POLYSACK LLP, is a prominent manufacturer and supplier based in Rajkot, Gujarat, India. Since its establishment in **2017**, the company has been led by Mr. Jay Rasiklal Vadhariya, a dedicated professional in the industry. Rex Polyfab specializes in the production of various types of rolls and industrial bags to cater to a wide range of customer needs.

As a manufacturer, Rex Polyfab is committed to delivering high-quality products that meet stringent industry standards.

Our diverse range of fabrics includes BOPP Bags, PP Woven Bags, PP Woven Rolls, Valve Bags, Industrial Bags, Kraft Paper Rolls and PP and HDPE Woven Fabric Roll. These products are carefully crafted to possess excellent durability, strength, and versatility, making them suitable for various applications in different industries.

In addition to fabrics, we also offer a range of industrial bags designed to meet the specific packaging requirements of businesses. Their product lineup includes BOPP Bags, PP Woven Bags, PP Woven Rolls, Valve Bags, Industrial Bags, Kraft Paper Rolls and PP and HDPE Woven Fabric Roll. These bags are manufactured using high-quality materials and state-of-the-art technology to ensure optimum performance and reliability.

As an individual-owned company (sole proprietorship), Rex Polyfab emphasizes personalized attention, quick response times, and customized solutions to meet the unique demands of each client. They strive to build strong and lasting relationships with their customers by providing exceptional products and services.

With a dedicated team, a wide range of high-quality products, and a global market presence, Rex Polyfab is well-positioned to meet the fabric and industrial bag requirements of businesses across various industries. Whether you need rolls and bags in reliable packaging solutions for your products, we are your trusted partner for quality, efficiency, and customer satisfaction.
