2017 Year of
Establishment

Positive Angle is a stationery item manufacturing company in Naraina in Delhi. Mr Parvinder Singh is, in charge of the managing affairs of the establishment since its beginning in 2017. They manufacture and supply in the territory of Delhi & across the whole country.

OUR TWO WINGS

- We have divided into two wings. One extension takes care of the production while the other division provides service. In our production unit, we manufacture stationery items and the newer version that is the digital version.
- The regular stationery items include various types of notebooks. We also supply desk organizers and weekly planners.
- We manufacture our notebooks from the best grade paper produced in mills. Our other paper products are a variety of bags and diaries.
- To help you write smoothly on our notebooks, we have an array of pens for you. In this virtual age, we do everything over the computer and mobiles. To make your work smooth, we now manufacture new age mobile phones with Bluetooth headsets and speakers to accompany them.
- The corporate gift sets & numerous corporate items are now the hot selling items from our manufacturing unit. The gift sets include mugs, pens, T-shirts & multiple other items. To get an overview of all our products, log onto our website. Our products catalogue is on full display. It will surely captivate and mesmerize you.
- The service wing of our company provides various printing and designing services. Here again, we have a long list. We provide the best quality products and services in the market. Quality is the USP of our company. We have been able to retain a profound customer base because of our premium products and quality service, along with the support provided after the sale.
- To avail of our products and services, kindly get in touch with Mr Parvinder Singh.
