

V9D ENTERPRISES

Manufacturer & Supplier

www.v9denterprises.com

ABOUT US

V9D Enterprises is a preeminent name, renowned for making available a premium lot of products in the market. With years of industry knowledge and work experience, we have been serving the ever-changing industry demands with ease. Our main product line is inclusive of Activated Carbon - Filter Media Activated Carbon, Pelletised Activated Carbon, Extruded Activated Carbon, Water Purification Activated Carbon, and Coconut Shell Activated Carbon. Besides, we deal in Activated Carbon Powder like Extruded Activated Carbon Powder and Unwashed Activated Carbon Powder. We can also be trusted for processing retail and massive product orders for Crystal Palladium Carbon, Activated Carbon Blocks, and Coconut Shell Activated Charcoal Powder.

As a manufacturer and supplier, we commenced our company operations in 2018. Our allies with reputed industry players help us in maintaining year-around product availability and making safe shipments.

V9D Enterprises is flourishing well under the able guidance of Mr. Vinod Tesawar. He is the Owner of the company. Working under his able guidance, we operate from Aerocity (Uttar Pradesh, India).

The Quality

V9D Enterprises is committed towards total quality management. We have an in-house unit wherein we perform quality checking operations to ensure that a flawless range of products is delivered to the clients.

Filter Media Activated Carbon

Specifications

Packaging Size	25 Kg
pH	7-8
Purity	98 %
Packaging Type	HDPE Bag
Type	Granular Activated Carbon
Color	Black
Usage	Industrial

Pelletised Activated Carbon

Specifications

Type	Granular Activated Carbon
Packaging Size	25 Kg
Packaging Type	Gunny Bag
Ph Value	8 -11
Ash Content	Max 5%
Color	Black
Usage	Industrial

Extruded Activated Carbon

Specifications

Type	Granular Activated Carbon
Packaging Size	25 Kg
Packaging Type	Gunny Bag
Ph Value	8 -11
Ash Content	Max 5%
Color	Black
Usage	Industrial

Water Purification Activated Carbon

Specifications

Form	Granular
Usage/Application	Water Purification
Packaging Size	25 Kg
Packaging Type	Gunny Bag
Ph Value	8 -11
Ash Content	Max 5%
Color	Black
Usage	Industrial

Coconut Shell Activated Carbon

Specifications

Color	Black
Form	Granular
PH Value	7.5
Hardness	95%
Moisture	5%
Packing Type	HDPE Bag
Usage	Industrial

Extruded Activated Carbon Powder

Specifications

Packaging Size	25 Kg
Packaging Type	Gunny Bag
Ph Value	8 -11
Ash Content	Max 5%
Color	Black
Usage	Industrial
Moisture	4-5%

Unwashed Activated Carbon Powder

Specifications

Packaging Size	25 Kg
Packaging Type	Gunny Bag
Ph Value	8 -11
Ash Content	Max 5%
Color	Black
Usage	Industrial
Moisture	4-5%

OUR PRODUCTS

Crystal Palladium Carbon

Specifications

Purity	0.5%
Form	Crystal
Packaging Type	Gunny Bag
Ph Value	8 -11
Ash Content	Max 5%
Color	Black
Grade	Industrial Grade

Activated Carbon Blocks

Specifications

Type	Activated Carbon Block
Packaging Size	25 Kg
Packaging Type	Gunny Bag
Ph Value	8 -11
Ash Content	Max 5%
Form	Solid Blocks
Usage	Industrial

OUR PRODUCTS

Coconut Shell Activated Charcoal Powder

Specifications

Packaging Size	25 Kg
Packaging Type	Gunny Bag
Ph Value	8 -11
Ash Content	Max 5%
Form	Powder
Color	Black
Usage	Industrial

Pebble Gravel Stones

Specifications

Size	As per requirement
Type	Pebble Stone
Material	Natural Stone
Application	Walls Flooring
Color	Mixed
Surface Finishing	Non Polished
Stone Form	Solid
