ABOUT US

Dr. King Copper is a preeminent name, specialized in processing varied demands of the clients across the nation. We hold accreditation to operate as a manufacturer and supplier of a variety of Copper Products. The main product line is inclusive of Copper Utensils like Copper Lota, Copper Wine Bottle, Copper Cups, Copper Glasses, Copper Jug, Copper Mugs, Copper Water Bottles, and Copper Water Tank. In addition, we deal in Copper Gift Set available across different categories including Copper Bottle with Mule Mug Set, Copper Jug & Glass Gift Set, Copper Bottle and Glass Set, Copper Glass Set, and Copper Jug with Glass Set. The entire collection is prepared at our own facility and keeping the demands of the market in notice.

Dr. King Copper was started by Mr. Gaurav Dhawan (Company Founder) with a sole motive to emerge as a trusted trade partner through prompt solutions and reliable services. The company is based in Mathura (Uttar Pradesh, India) and as a producer, we came into being in 2019.

The Quality

Dr. King Copper is concerned about the quality of its offered products and related services. We thus make sure that everything adheres to the codes of quality. A dedicated team of quality analysts is always around to check our products on different counts to meet the set quality criteria.

The Network

Dr. King Copper covers the major markets of India with strong support of dealers and distributors. With their assistance, we have been serving the varied demands of the clients in a timely manner.
