

# The Best Quality

Itrade Exim is a known name, specialized in supplying and exporting a large selection of products in the regional and global marketplaces. We deal in Pharmaceutical medicines. Sourced from trusted manufacturers, our offerings adhere to the norms of the industry. We can also be contacted for procuring Pharmaceutical Capsules, Pharmaceutical Eye Drops, Pharmaceutical Oral Jelly, and Cernos Gel in small and massive quantities. Itrade Exim is a prominent name that is professionally managed by Mr. Prashant Nikhar.

# About Us

Itrade Exim is a known name, specialized in supplying and exporting a large selection of products in the regional and global marketplaces. We deal in Pharmaceutical medicines. Sourced from trusted manufacturers, our offerings adhere to the norms of the industry. We can also be contacted for procuring Pharmaceutical Capsules, Pharmaceutical Eye Drops, Pharmaceutical Oral Jelly, and Cernos Gel in small and massive quantities.

Itrade Exim is a prominent name that is professionally managed by Mr. Prashant Nikhar. He holds years of industry knowledge and experience required to manage the company operations. The company is based in Nagpur (Maharashtra, India) and as a trader, we commenced our trade operations in 2001.

## The Facility

Itrade Exim owns a large facility that is parted into different sections for the ease of product storage, packaging, and labelling. A team of individuals is entrusted to manage our company operations. Besides, we strive to adopt new work methods that aid us in the effective management of our roles and responsibilities.

## Why Itrade Exim?

Points that can be considered to appoint us as a trade partner are listed below:

- We process tailored demands of the clients
- We accept payment as per the clients' requirements
- We assure on-time product delivery
