ABOUT US

DD Glassware like its namesake is a glassware manufacturing unit based in Firozabad in Uttar Pradesh is a company which has been in operation since 2007 manufacturing and supplying all over Uttar Pradesh and the entire country. The company has expanded with its exports to far away destinations thereby generating an annual turnover of 0.5 crores.

COMPANY GIVE AWAYS

The company has a lot to offer in terms of its finest products, which are the best productions of its like at perfectly cost effective rates. The company range of products is a huge endless list. They churn out quality goods that are glass and ceramic ware. These items are truly usable; like household items which include beautifully curated bowls and glass sets, wine glasses, pudding sets and lemon sets. Anyone would love to possess these in home.

QUALITY AND CARE OUR MOTTO

Our company believes in giving both quality and economy to its esteemed customer base, we assure of not compromising on the quality level even if the demand is high during any point of time. Our products are crafted with the latest technology available and designed to perfection with all modern amenities. We boast of range of products which are very pleasing to the eye. Please contact Mr. Priyanshu Varshney for any requirements or feedbacks.
