# About Us

Ravi Worldwide Medicine Pvt.Ltd. is an acknowledged pharmaceutical manufacturing from Delhi (India) that brings forth different kinds of pharma products. The company serves as a dependable manufacturer, exporter, and supplier of Pharmaceutical Tablets, Pharmaceutical Injection, IV Infusion Solution, Balaban %2 Ointment, 93-260 Chemical Resistant Gloves, Cerviprime 0.5mg Gel, Orizinc 15mg Syrup, Pirament Syrup, Septonat Oral Spray, Pharmaceutical Capsules, Respirator Masks, and Asist 4% Granules. All these products are manufactured in the right formulations, as per the set quality and composition guidelines. Our commitment towards delivering the best to the clients has helped us in mustering a large customer base in the global marketplace.

Ravi Worldwide Medicine Pvt.Ltd. is based in the prime location of Delhi (India) from where its produced pharma goods are shipped to global destinations. The company was established in the year 2018 with a sole motive to emerge as a leading market player. Mr. Ranjith T laid the foundation stone of the company.

## • Manufacturing Facility

Governed by full-fledged teams of adroit professionals, we have been successful in developing a state-of-art manufacturing facility. It assists us to match the ongoing market requirements and offer a complete line-up of pharmaceutical products at affordable prices in bulk quantities across the global markets.

## • Why Us

Over the years, we have earned a good name in the industry. Factors that provide us an upper edge over competitors are listed below:

- Honesty and transparency
- Standard packaging solutions
- Right pricing policies
- Team of highly qualified professionals
- Wide range of products
- 24X7 technical support
