ABOUT US

In order to meet the variegated demands of buyers, K K International is involved in offering a premium range of fresh fruits and fresh vegetables. We are one of the leading Exporters and Suppliers of these products in India. The products that we offer are sourced from authentic vendors who use organic fertilizers and advanced agricultural practices to grow them ensuring the best quality. Freshness, purity, great taste, high nutritional value, 100% organic and longer life are some of the main attributes of our products. Moreover, we can make available these products in food-grade packaging material so as to keep them fresh for longer duration.

K K International is a Thane (Maharashtra) based organization which was commenced in the year 2019. Under the leadership of our efficient founder, Mr. Shahezad Khan, we have been able to acquire a remarkable position in the industry

Quality Assurance

The fruits and vegetables that we offer are grown as per the leading agricultural trends of the industry hence are quality approved and have no scope of contamination. Our products are widely used to prepare food and salads.

Our Team

Backed by dedicated and experienced team of professionals, we are able to meet the exact demands of buyers. Besides this, our professionals work in close coordination with each other so as to maintain harmony in the organization.

Worldwide Reach

As we have widespread networks and reliable logistic partners, we are able to deliver our products all across the world with great ease. Additionally, our advanced shipment facilities enable prompt and safe delivery of products.
