About Us

AL-Kareem Vegetable & Fruits Export Importer feels proud to present itself as a committed and dedicated organization that came into being to fulfil the buyers' needs for quality products. We are one of the leading Manufacturers, Exporters, Importers, and Suppliers of basmati rice, non basmati rice, fresh fruits, fresh vegetables, and wheat seeds. The demand for our quality products has seen manifold growth, and we are committed to fulfil buyers' needs with premium grade agro-products only. We either grow these agro-products at our organic farms or we obtain these products from reputed sources so that the buyers are served with only the finest products.

AL-Kareem Vegetable & Fruits Export Importer was established in the year 2017 when company directors viz., Md Ikbal and Md. Aakil were determined enough to bring forth an exclusive range of agro products that have immense demand in the market. The company's core business philosophy is to grow while satisfying the patron with premium products and world-class services.

CUSTOMER SATISFACTION

We are a customer-oriented company. We constantly endeavor to satisfy the customers with our products and services. Our customer service is the most important asset and we strive hard to meet the highest level of customer satisfaction. In order to meet the demand of dynamic world and changing trend in the business, the company ensures to comply with the industry advancements.
