About Us

Your search for the trusted suppliers of medical gear like surgical masks, caps, gloves, and sanitizers ends at VTechies. We are a Bangalore-based company in Karnataka that supplies well-crafted medical products across the state and nationwide. All items are made using the finest quality products from the superlative raw material acquired from licensed vendors. Besides, we deal in graphic designing and computer maintenance services as well. A team of I.T professionals is engaged in offering the best services to all clients that approach us for computer-related services.

This company is owned and managed by Nagaraj V Shindagi. He laid the cornerstone of the company in 2017. Since we're aided by different teams that manage the medical-related and I.T-related work, it is easier for us to deliver assistance to the client. For additional queries, contact us and dial the numbers given on the website.

Our Techies

We have a team of bright minds that are consistently working behind the graphic services and computer maintenance. They leave no stone unturned in providing the optimal services to all clients that turn to us for resolutions. We credit them a major share of credit for our success.

The Medical Products

Keeping in mind the hygiene and safety, every surgical mask, pair of gloves, sanitizers, and surgical caps are stored appropriately. All these products are supplied across Karnataka and other parts of India.

Choose Us

Choose us because we assert the provision of the best service at nominal rates. Furthermore, our services are delivered by professionals hence, stay assured of the authenticity.
