

KRACO PHARMA

is an established and prominent player from Tirana (Albania) that is engaged in

The export and trade

of an assorted range of superior quality chemicals and pharmaceutical products.

About Us

Kraco Pharma is an established and prominent player from Tirana (Albania) that is engaged in the export and trade of an assorted range of superior quality chemicals and pharmaceutical products. We are one of the acclaimed exporters and suppliers of Chemicals, Pharmaceutical Tablets, Pharmaceutical Capsules, Pharmaceutical Injection, Surgical Items, Pharmaceutical Kit, Pharmaceutical Pen, Hospital Items, Apetamin Syrup, Apraclonidine Eye Drops, and NOSA Nasal Plugs. We possess years of experience when it comes to international trade involving chemicals, pharmaceutical, and other products. The company has successfully served buyers across the Gulf Countries, Europe, Asia, the Americas, and the other regions as far, and has been looking forward to delighting more customers in a number of countries.

Based in Tirana (Albania), Kraco Pharma has been operating in the pharmaceutical and healthcare industry since 2016. The company is being managed and guided by an industry veteran i.e. Mr. Illir Sadulla, who is the Owner of the organization. Mr. Sadulla possesses a vast experience in domain of global pharma products trading.

Team

The core strength that the company gets for catering to the global needs comes from the hard work and commitment of the workforce we have at Kraco Pharma. The sincere efforts of our team members are aligned well with the company objectives, and due to which we have been able to win accolades of buyers worldwide.

Quality Assurance

We lay utmost emphasis on the quality of our products. To maintain this quality, we have adopted several parameters and strictly follow them to check our products on various stages to assure their high quality.
