Jangid Enterprice

India is a country that is very famous for all its items that start from its cuisine to its dresses. They are the much-in-demand items that almost the entire world craves for. Jangid Enterprises wants to showcase the beauty and exquisiteness of everything Indian including its items of clothing that are manufactured in the country.

>> ABOUT US

India is a country that is very famous for all its items that start from its cuisine to its dresses. They are the much-in-demand items that almost the entire world craves for. Jangid Enterprises wants to showcase the beauty and exquisiteness of everything Indian including its items of clothing that are manufactured in the country.

We believe that no one can supersede the beauty of India in anything that is manufactured in the country. We at Jangid Enterprises present to the world our exclusive and elegant range of Kota Doria dupattas, ladies' wear and men's linen pants. We also offer beautiful designer western-styled dresses and Bedsheets that have been appreciated for their quality and excellence of detail, beauty, elegance, design, pattern and colour combinations.

In this context, we take pride in mentioning that we use the best quality materials sourced from the various renowned mills of India for our clothing line. Every item is colourfast and is guaranteed to last a lifetime because of its strength and durability. The tailors whom we employ are the best in the trade with fine craftsmanship that is evident in the production line. They are skilled and trained and can churn out excellent quality that is bound to catch the eyes of the customers all around.

As a company, we under the leadership of Mr. Babulal Jangid, solicit your cooperation and acceptance that will alone take us to the top. We thank every client of ours across the globe for their solidarity and patience in standing by us through thick and thin.
