Being a part of India's most reputed and oldest farmer producer company this gives us an advantage of sourcing, supplying and trading fresh vegetables, fruits, cereals, pulses, spices, poultry and dairy products from all over India to the world in appropriate packaging as per customer needs at affordable prices.

We are presently offering fine quality fresh red onions, fresh grapes, pomegranates, oranges, mangos, ginger, fresh green vegetables and cashew nuts (split, scorched, whole) and are also open to cater to any other requirements of buyers from across the world.

Since all promoters of the company are from farming background we are associated with local self-help groups of farmers in different villages engaged into organic farming where no chemicals and pesticides are used for production of vegetables, fruits, pulses and spices.

All the production work in this farms to grading and packaging houses of all the products is carried out by well qualified and highly skilled team members with complete hygiene and safe handling of the produce.

Devnadi Farms was incorporated in the year 2020 for taking care of exports division, under the able leadership of Mr. Rahul Jagtap, A Mechanical Engineer by profession. He has a rich experience of more than 15 years in various industries. His guidance has helped us bring forth a superior range of agro products for exports to the global markets. Our production and distribution facility is located in Nashik (Maharashtra) from where we provide our offerings to customers all over the globe swiftly and on time.
