About Us

S.V. industries cater to all the needs of the pharmaceutical industries. We have been in the market for a long time and with the guidance of our founder Mr Sanjay Talwar we are here to provide the ultimate customer service. We are experts in the manufacturing of pharmaceutical plastic bottles and pharmaceutical plastic cups. We provide you with FDA approved resins and colorants for custom pharmaceutical packaging. As a specialist in this, not just manufacturing, we provide with customized developments as well .

Quality Manage

Spread over a wide land in Moga in Punjab, we are well known for our infrastructure and manufactured finish product. We are appreciated for our well-equipped production and standardized manufacturing. We help in providing quality finished products in bulk in the most efficient way possible. Our team of skilled professionals has been able to meet the needs and requirements of our patrons.

Since our start, we have been gaining positive reviews from our satisfied customers. You would get the best quality product processed by skilled people with competitive rates. We have been providing unparallel quality products with the widest distribution network. We are an organization engaged in helping our customers gain maximum satisfaction with on-time delivery and also create a hassle-free environment for our workers.
