# About Us

Established in the year 2019, Ashirwad Food Products is serving the market of Pali, Rajasthan by producing high quality food products. We are a trusted manufacturer and wholesaler of wide varieties of Dal badi and Indian papad products. Our company serves with a mission to manufacture high quality products with great packaging and to make it available for maximum number of customers.

In this short time span, we have gathered rich experience in producing and supplying bulk orders of papad and dal badi products. We use every desired modern technology and machines which are essential to produce A-quality food products in the industry and this has gained us a recognized position in the market of Pali and kept us ahead of our competitors.

We prioritize customer satisfaction and hence introduced a range of varieties for papads understanding the tastes and demands of our customers. We do supply bulk deliveries in timely manner. we carefully and seriously nurture customer feedbacks as it helps us the best on demand.

Our team of expert technicians and employees combine their hard effort and knowledge in producing best-in-quality food products.

Ashirwad Food Products is the brain-child of Mr Lakshman Prasad, who founded the organization understanding the needs of the customers, especially of Rajasthan. With his constant inspiration we perform all levels of quality tests before delivering the goods.
