ABOUT US

Prajwal Surgical And Scientifics Pvt. Ltd.

Established in 2006, Prajwal Surgical And Scientifics Private Limited has emerged as a pioneer in the field of surgical, durable medical equipment, rehabilitation, and home healthcare solutions. As importers, C&F agents, and super-stockists for various global brands, our central warehouse in Bangalore ensures seamless distribution and accessibility of the finest medical products. We are committed to supporting hospitals and healthcare providers with an extensive range of hospital and home care solutions.

Our Mission is to make the best and most diverse range of healthcare products accessible to our customers. We collaborate closely with the healthcare ecosystem to deliver top-quality, innovative, and cost-effective solutions. At Prajwal Group, we challenge ourselves to elevate our standards in providing not only exceptional products but also world-class customer service, technical support, post-sales service, and annual maintenance contracts (AMC).

With a Portfolio that spans medical supplies, assisted living aids, mobility devices, orthopedic supports, mother and baby care, diabetes management, respiratory care, and more, we strive to address the needs of both hospitals and individuals seeking advanced home care solutions. Our state-of-the-art concept stores and online platform enable customers to experience and access the latest healthcare and rehabilitation products.

With over 70 years of collective management experience and strong alliances with global manufacturers, we leverage our deep industry expertise to offer over 7,000 clinically tested and certified products. Our dedicated and highly qualified team focuses on research, product sourcing, and customer-centric solutions that meet the unique needs of patients, caregivers, and healthcare institutions.

At Prajwal Surgical And Scientifics Private Limited, Our vision is to inspire hope by providing access to a dignified and quality life. Guided by our values of compassion, integrity, respect, and creativity, we aim to enhance the lives of our customers and foster a work environment where our employees can thrive. Through innovation and a commitment to excellence, we continue to set new benchmarks in healthcare.
