

# Nandbaba Farms

Nandbaba Farms in Jaipur Rajasthan is a company owned and run by Mr. Rajesh Yadav which opened its doors to the country in the year 2020. They are a manufacturing company who also supply and export even to foreign shores. When contacted for orders it can be supplied all over the country. Our Ingredients – Health and Nutrition Our farms are coming up with world class honey produced by bees cultivated indigenously on our own farms. Honey made from natural sugars from the nectar of flowers is a good substitute for sugar while being harmless because it is a product which comes to us directly from nature. Its nutritional benefits are many. It is absolutely harmless with no fats at all. Having high antioxidants, it becomes a healthy substitute for sugar.

# About Us

Nandbaba Farms in Jaipur Rajasthan is a company owned and run by Mr. Rajesh Yadav which opened its doors to the country in the year 2020. They are a manufacturing company who also supply and export even to foreign shores. When contacted for orders it can be supplied all over the country.

## **Our Ingredients – Health and Nutrition**

Our farms are coming up with world class honey produced by bees cultivated indigenously on our own farms. Honey made from natural sugars from the nectar of flowers is a good substitute for sugar while being harmless because it is a product which comes to us directly from nature. Its nutritional benefits are many. It is absolutely harmless with no fats at all. Having high antioxidants, it becomes a healthy substitute for sugar. It is safe so much that even diabetics can consume it in place of refined sugar although in limited quantities. Coming directly from nature it is loaded with many active ingredients which have the capability of eliminating many diseases.

## **Our Products**

Going by the health benefits that honey is loaded with, we at Nandbaba Farms are competent enough to supply with super quality natural, raw and processed honey. Not only this, our specialty is mustard honey which we can ensure is superb both in class as well as in standards. For any quantity of honey required at any time please feel free to contact us to place your orders which will be supplied immediately. Our quality is always assured and guaranteed.
